

THORNTONS

GIVING BACK DONATION ASSISTANCE FORM

Thorntons limits its assistance to organizations that the company selects and solicits based upon our philanthropic guidelines. No child should grow up hungry in America, but one in six children struggles with hunger. Thorntons local store marketing efforts will focus on ending childhood hunger in America by ensuring all children get the healthy food they need, every day in the communities we serve.

If you believe your organization meets these criteria, please fill out the following form and a member of our team will review your request for consideration.

Please Note: All requests must be received in writing at least 6-8 weeks prior to the event for which you are requesting a donation. If the request is received within 2 weeks of event, we cannot guarantee review of the request or participation for event.
